

2020 DISABILITY EMPLOYMENT AWARENESS MONTH

Increasing Access and Opportunity

"Employment of people with disabilities gives everyone the opportunity to learn. It allows the person with the disability the opportunity to work and contribute to society. Being different is an opportunity to showcase our talents. Others are able to see that we are just like they are, only with differing abilities and talents we can share with everyone."

- Susie Dains, 2020 GCD NDEAM Poster Contest Winner
